Our Third Graders Need Your Help!

The Bookmark Buddies Mentoring Program at Canoe Creek Charter Academy is an exciting opportunity for you to make a difference in the life of a child. Our third graders need your help to practice and improve their reading skills before the important FCAT testing this spring.

Bookmark Buddies meet thirty minutes a week, one-on-one, with a third grade student who is reading below grade level. All mentors must be cleared through OASIS before starting to work with a student. No prior tutoring experience is necessary. All materials are provided, making for an easy and fun volunteer experience!

If you are interested, please fill out this information sheet and return it with your child to school.

**A first brief 30-minute training session will be held at Canoe Creek Charter Academy
Friday, September 2nd at 9:15 am.**
